ABOUT ME

Hello! I'm Oblora Wilson Okafor, the creative mind behind Creative Skywatcher. As a passionate graphic designer with 5 years of design experience, I specialize in crafting designs that convey powerful messages that resonate with audiences. My approach combines creativity with strategic thinking, allowing me to deliver designs that look great and resonate with my client's target audiences.

Looking forward to creating something amazing with you!

Best,
Creative Skywatcher

KEY SKILLS

Communication: Excellent verbal and written skills; adept at presenting design concepts effectively.

Collaboration: Proven ability to work cross-functionally within teams and coordinate with clients.

Time Management: Able to manage multiple projects simultaneously while meeting deadlines.

Problem Solving: Proficient in identifying design challenges and implementing effective solutions.

TECHNICAL EXPERTISE

Digital/Print Design: Extensive experience creating brochures, posters, and marketing materials, social media, and online advertising.

Brand Development: Expertise in creating cohesive branding materials and style guides.

Web Design: Familiarity with HTML, CSS, and WordPress for creating visually appealing web pages.
